Then she went on to visit orange.

**VIOLET:** Why are you orange?

**ORANGE:** "My mother and father were orange and so I am orange."+

"Uhõ" +said violet.

Next, she went on to visit green.

**VIOLET:** Why are you green?

**GREEN:** My mother and father were green and so I am green.

**VIOLET:** Uh...

And she went on to visit blue.

**VIOLET:** Why are you blue?

**BLUE:** My mother and father were blue and so I am blue.

"Uhõ" +said violet, as she started to cry and cry and cry...

**VIOLET:** But I have no real color.

And at this moment all the colors of the rainbow hugged violet and said: "You are the most beautiful and unique color of the rainbow, violet, because you have not one but two colors: red and blue.

**VIOLET:** Thank you. I feel so much better.

And then the sun came out (Mr. Sun, Sun, Mr. Golden Sun) and violet tears combined with all the colors, formed a rainbow.
