## Story

**S:** Woo-hoo! it's story time...

**K:** Today's story is about a swan princess.

One day, a little prince was playing with his friend, Princess Odette. Suddenly an evil sorcerer appeared and took Odette away into the forest.

**(S) SORCERER:** Haha! Pouf!

**K:** Many people went looking for Odette but no one could find her. Years later, when the prince grew up, his mother told him...

**(K) QUEEN:** We will have a ball tonight, where you must choose a wife.

**K:** The prince did not want to get married; he still missed his friend Odette.

**(S) PRINCE:** I need to clear my head. I will go for a walk in the forest.

**K:** The prince walked deeper into the forest than ever before, and he came to a lake. A flock of swans were swimming there. The prince was watching them when, suddenly, a beautiful creature dressed in white feathers appeared before him.

**(S) ODETTE:** Hello, stranger. Would you like to dance?

**K:** They danced and danced together, and the prince fell madly in love.

**(S) PRINCE:** I feel like I've known you all my life. Come to the ball with me.

**K:** At the ball, the prince said to his mother...

**(S) PRINCE:** I am going to marry the Swan Princess!

**(K) QUEEN:** My son, you cannot marry this mysterious stranger.

**(S) PRINCE:** But I love her! And I want everyone to know!

**K:** Suddenly, there was a blinding flash! Everyone looked at the Swan Princess but all they saw was a beautiful young woman. It was Princess Odette, all grown up!

**(S) ODETTE:** Thank you, my love! The sorcerer's evil spell is broken. I am free.

The prince and princess got married and they lived happily ever after.
